CONDITIONAL GRANT AGREEMENT BETWEEN AGENCY AND APPLICANT

THIS CONDITIONAL GRANT AGREEMENT (the "Agreement") dated as of this 5th day of December 2008, is entered by and between THE CITY OF GUADALUPE COMMUNITY REDEVELOPMENT AGENCY, (the "Agency") and John Perry, a private property owner (the "Applicant").

RECITALS

A. Agency has adopted Downtown Seismic Retrofit Grants Program ("URM Grant Program") in order to provide grants to certain owners of eligible buildings who design and construct improvements to retrofit their unreinforced masonry buildings to meet specific building standards.

B. Applicant is the owner of that certain building located at 955/959 Guadalupe Street, Guadalupe Ca. (the "Building").

C. Applicant has submitted an application to the Agency pursuant to the URM Grant Program Guidelines for a grant for seismic retrofit improvements to the Building.

D. Applicant completed the application process set forth in the Guidelines and has submitted final approved plans for seismic retrofit improvements dated 1-11-08 as revised 7-22-08, and has obtained a Building Permit dated Not Issued, (the "Work").

E. Applicant and Agency desire to enter into this Agreement to set forth the terms and conditions of: Applicant's construction, installation and maintenance of the Work; and Agency's grant of funds to Applicant for construction of the Work, as set forth herein.

F. This Agreement is in furtherance of the objectives of the Agency's Redevelopment Plan. The Work will improve the Redevelopment Project Area and help eliminate physical and economic blight in the Project Area and stimulate private investment.

NOW, THEREFORE, Applicant and Agency hereby agree as follows:

1. Commencement and Completion of Work. Applicant shall begin the Work not later than the earlier of (1) 90 days after execution of this Agreement, or (2) if an advance payment is made pursuant to Section 2, 14 days after such advance payment is made. Applicant shall complete or cause its contractors and/or subcontractors to complete the Work in accordance with all approved plans and permits not later than 18 months after the date of the Grant Award. The date of the Grant Award shall be the date the grant is approved by the Agency Board of Directors. Failure to complete the Work within this time frame or abandonment of the Work prior to completion may result in Applicant being required to repay the grant to the Agency, at Agency's option. The Agency may grant an extension of time on a case-by-case basis. In the event the Applicant does not believe the Work will be completed within the required time frame, the Applicant may apply for a time extension. The Applicant shall apply for any time extension early enough to ensure sufficient time for the RDA to process a request for time extension and present the request to the RDA Board for consideration.

2. Grant Disbursement. The total grant amount available for the Work is \$235,280.00. Applicant acknowledges that this amount may not be sufficient to complete the Work, and Applicant accepts all liability for amounts owed to contractors and others in excess of the

grant amount. Under no circumstances shall Agency be liable for any amounts in excess of the grant amount without prior approval of the Board of Directors through amendment to this Agreement. Grant payments will be made by the Agency directly to contractors or engineers for the Work. Invoices for payment must be submitted to the Agency for approval and payment to ensure the work performed is eligible work under the URM Grant Program. Under no circumstances will any grant funds be paid directly to Applicant, unless Applicant is the licensed contractor actually performing the Work. An amount of up to twenty percent (20%) of the grant amount may be made in advance of the Work to pay for contractor mobilization. After this initial advance payment, grant funds will not be paid in advance of eligible expenditures. Grant payments will be made no more frequently than monthly upon submission of invoices from Applicant's contractor or engineer, and only after approval by the Building Department of City.

3. Maintenance of Work. Applicant, at its sole cost and expense, shall maintain the Work in accordance with the terms of this section 3 for five (5) years following the date of completion of the Work. Applicant and its contractors and subcontractors shall maintain the Work in conformance and in compliance with the approved plans and permits, as the same may be amended from time to time with the approval of the City, and in accordance with the custom and practice generally applicable to first-class commercial projects located within the City of Guadalupe. All such maintenance work shall conform to all applicable federal, state and local laws and regulations for the performance of maintenance.

4. Indemnification. To the fullest extent permitted by law, Applicant shall indemnify, defend, and hold harmless Agency, the City of Guadalupe ("City"), its and their elective and appointive boards, commissions, officers, agents and employees (collectively, "Agency Parties"), from any and all present and future liabilities, obligations, orders, claims, damages, fines, penalties and expenses (including tax liability, attorneys' fees and costs) (collectively, "Claims") arising, directly or indirectly, from the acts, omissions, negligence or willful misconduct of Applicant or its engineers, contractors, subcontractors, employees, representatives or agents. The Agency Parties shall not be deemed to have waived any right against Applicant that it or they may have by reason of the aforesaid indemnity, because of the approval by Agency or City of the plans, specifications and drawings for the Work. Applicant's indemnity obligations under this section 4 shall survive the expiration or termination of this Agreement.

5. Insurance. Until completion of the Work and disbursement of the Grant by Agency, Applicant shall take out and maintain or shall cause its contractor to take out and maintain Commercial General Liability and Workers' Compensation Insurance as follows:

a. Commercial General Liability policy in the amount of One Million Dollars (\$1,000,000) combined single limit, or such other policy limit as Agency may approve at its discretion, including contractual liability, as shall protect Applicant, Agency and City from claims for damages. Such policy or policies shall be written on an occurrence basis. The Commercial General Liability Policy hereunder shall name the Agency and City and its and their respective officers, agents, employees, and representatives as additional insured's through endorsement. Companies writing the insurance required hereunder shall be licensed to do business in the State of California. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII. Applicant shall furnish Agency with a certificate of insurance evidencing the required insurance coverage and a duly executed endorsement evidencing such additional insured status. The certificate shall contain a statement of obligation on the part of the carrier to notify Agency and City of any material change,

cancellation or termination of the coverage at least thirty (30) days in advance of the effective date of any such material change, cancellation or termination. Coverage provided hereunder by Applicant shall be primary insurance and shall not be contributing with any insurance, self-insurance or joint self-insurance maintained by Agency or City, and the policy shall contain such an endorsement. The insurance policies shall contain a waiver of subrogation for the benefit of Agency and City. The required certificate and endorsement shall be furnished by Applicant to Agency prior to the commencement of any of the Work.

b. Workers' Compensation Insurance. Applicant shall furnish or cause to be furnished to Agency evidence satisfactory to Agency that Applicant and any contractor with whom it has contracted for the performance of the Work or otherwise pursuant to this Agreement carries Workers' Compensation Insurance as required by law.

6. Compliance with Laws. Applicant shall carry out the Work in conformity with all applicable laws, including the City's zoning and development standards; building, plumbing, mechanical and electrical codes; all other provisions of the City's Municipal Code; and all applicable disabled and handicapped access requirements, including the Americans With Disabilities Act, 42 U.S.C. Section 12101, et seq., Government Code Section 4450, et seq., Government Code Section 11135, et seq., and the Unruh Civil Rights Act, Civil Code Section 51, et seq. and Government Code Section 8875.8. institute any action at law or in equity to cure, correct, prevent or remedy any Event of Default; (b) to recover damages for any Event of Default; or (c) to terminate this Agreement by written notice to Applicant. In the event Agency terminates this Agreement as provided above, neither party shall have any further rights or obligations hereunder, except for Applicant's indemnity obligations under Section 4, which shall survive such termination.
