ABOUT OUR NON-PROFIT

We are a 501 (c)(3) community outreach agency that helps create and manage Senior Support Networks in order to **reduce the incidence of malnutrition, poor general health, and isolation among the elderly.** We've been in existence for over 20 years. Because we are funded through gifts; government and philanthropic grants, our **services are always free.** You are invited to **join the movement** to ensure seniors in your neighborhood age in place with dignity.

WHY BECOME A SENIOR PARTNER?

Senior Partners enjoy a **flexible schedule** while involving themselves in **meaningful activities** that build community and **transform lives.** It's also an opportunity to **meet new people.** We also provide drivers with **mileage reimbursement** at a rate of **\$0.55 per mile.**
