## Co-ed Adult Basketball League Manager's Agreement

- As the Manager, I understand that I am responsible for all the rules and regulations outlined in the Adult Basketball Rules and Regulations Handbook.
- As the Manager, I understand that it is my responsibility to enforce and ensure all my players adhere to the rules and regulations outlined in the Adult Basketball Rules and Regulations Handbook.
- As the Manager, I understand that I am the spokesperson for my team. All correspondence to Recreation and Parks staff must be handled through me starting with the Field Supervisor.
- As the Manager, I understand that I am responsible for the conduct of my players before, during and after league games. I also understand that my players may be suspended for unsportsmanlike conduct at any time.
- As the Manager, I understand that it is my responsibility to turn in a complete roster and signed liability waivers from each team member 24 business hours prior to the start of the first league game of each season. I further understand that without a roster and signed liability waivers from each team member 24 business hours prior to the first league game, my team will not be allowed to play and will forfeit all games until a team roster and waivers are turned in. This waiver includes the informed consent informational waiver for COVID-19.
- As the Manager, I understand that rosters are limited to 14 players for Coed; but I may ADD and DROP players with NO FEE up to 5 minutes prior to the start of the league game. However, NO roster changes are allowed after the 2nd week of the season.
- As the Manager, I understand that Recreation and Parks staff will do their best to schedule make-up games; however, make-ups are not always possible, and my team will NOT receive a credit/refund for cancelled game(s).
- As the Manager, I understand that I MUST notify Recreation and Parks staff as well as the opposing manager in advance per the Rule Book, if I need my team to forfeit a game. Furthermore, I understand that if my team forfeits two games in a season without giving notice, my team will be dropped from the league and fees will not be refunded.
- As the Manager, I understand that if my team is caught using an illegal bat (as determined by the Umpire); the batter will be declared out, the ball declared dead, and the game instantly forfeited on behalf of the offender's team. In addition, I understand that if my team is caught a second time in a season using an illegal bat, my team will be dropped from the league and fees will not be refunded.
- As the Manager, I understand that ONE new ball per field per night will be provided. If a backup ball is needed, the umpire will use the next best available ball.
- As the Manager, I understand that alcoholic beverages may NOT be consumed in the park premises prior to, during, or after any scheduled games -- the game will be forfeited by the team observed consuming alcoholic beverages. I also understand that a second offense results in the team being dropped from the league and fees will not be refund. In addition, I understand that tobacco products may NOT be used in the dug-out or on the field during game time.
- As the Manager, I understand that a regulation game will last 1 hour and 5 minutes; no new innings will start after one hour of game play.
- As the Manager, I understand Recreation and Parks furnishes one game official and discussion of any game or official's decisions is made with team managers only. I further understand that scorekeepers are NOT provided; therefore, the umpire will use a flip score to keep track of runs scored. In addition, I understand that the home team will agree to keep score and fill out the score card as well as monitor line-up sheets.
- As the manager, I understand that there may be extra COVID-19 protocols and requirements in place, and I understand that it is my responsibility to enforce and ensure all my players adhere to the rules and regulations provided. Failure to comply may result in forfeit of wins and / or registration fee.
